Diploma in Business  
Bachelor of Business

Studying at QUT College really helped me build my confidence and prepared me for transferring into my second year of the QUT Bachelor of Business degree. I improved my English and learnt the foundational business skills which gave me a great start. Classes are small and very interactive ensuring you get the support you need to succeed. I still keep in contact with the many great friends I made from all over the world. QUT College is a great start for anyone beginning their study journey at QUT.

## Meet your teachers

Our teachers are highly skilled in teaching international students and have extensive experience developing all levels of English proficiency.

Our teachers have years of experience, and will give you the skills you need to succeed. They create a comfortable learning environment where students are encouraged to reflect, engage and develop the skills to feel confident in their English speaking and writing

abilities. Our teachers have a welcoming teaching style and work to create a space where students feel supported and comfortable expressing themselves and asking questions.

### Leaders in STEM

As a leading STEM (Science, Technology, Engineering and Maths) university in Australia, QUT lecturers, teachers and researchers are renowned for being at the forefront of their industry. The QUT College STEM team helps hundreds of students each semester achieve their entry

requirements while developing the language and technical skills they need to excel in their chosen STEM degree.

The college's STEM team offer years of experience, first-hand practical skills and tertiary qualifications that will set you up for success.

## Student life

QUT offers a range of activities for all students that will help you make the most of your experience of studying and living in Brisbane.

### Find your people

You can choose from 120 clubs with a focus on sport, politics, culture, religion or special interests—everything from bubble tea to badminton. Or start your own club to connect with others who have the same interests.

### Connect through activities and events

Get to know your fellow students through our fun social activities. There is always something exciting to do including cooking classes, sporting events, pancake breakfasts, yoga, meditation, aikido, dance, art and day trips to places around Brisbane such as the Gold Coast and Byron Bay.

### Food on campus

Enjoy a coffee with your friends at one of our many cafés on campus. Kelvin Grove campus has numerous food outlets where you can enjoy a tasty lunch and take a break from the hustle of uni life. You also have easy access to shops nearby at the Kelvin Grove Village or in the city centre. There are plenty of drinking fountains around campus for you to refill your water bottle. If you decide to bring your own lunch, there are microwaves at the college, making food preparation easy and affordable.

## You're welcome

Make sure you put Welcome Week at the top of your must-do list. It takes place before classes start and will set you up for your time at QUT.

Welcome Week is more than just an orientation to uni life, it's the beginning of a transformative university experience that:

- connects you with the vibrant and supportive QUT community
- provides unique experiences where you'll meet and collaborate

with a diverse group of students across different courses

- gives you access to student clubs, societies, sport and campus life
- includes workshops and seminars to prepare you for success.

During the welcome sessions at QUT College, you can familiarise yourself with the facilities and the campus, meet fellow students and obtain more information about the program you are going to study.

# Kelvin Grove campus

QUT College is located at our Kelvin Grove campus which is conveniently just three kilometres from Brisbane's city centre.

It is home to students studying at the college as well as students from creative industries, education, health and justice.

Kelvin Grove campus features our Education Precinct that offers learning spaces, study pods and community areas interwoven with nature and technology. This space is home to the Sphere—a digital LED globe suspended over two floors with a changing menu of visual content.

The campus is part of the thriving Kelvin Grove Village that has shops, restaurants, a weekly market, residential units, parkland and fitness facilities.

# Student support

Everybody has goals. Some are academic, some are personal. Whatever you have your sights set on, we're here to support you.

QUT College diploma programs are designed to enable your successful transition to university. An essential aspect of your learning journey is the development of academic skills. QUT College students are enrolled in units that are designed to ensure academic skills are explicitly taught and developed. The focus is on building knowledge and essential capabilities to facilitate successful transition to, and completion of, faculty courses.

This embedded approach means that you do not necessarily need to register for upcoming workshops, although it is recommended if you feel that you would benefit from additional support.

You are encouraged to approach your unit coordinators and tutors if you have any concerns with your learning.

## HiQ student centre

Your success is important to us. That's why we have a dedicated student centre, HiQ, on both campuses.

This is the place to go for all student services, technology, support, library services and general enquiries. You can contact HiQ by chat, email, phone or face-to-face on campus.

## Support services

We can help you transition into university life by supporting you with:

- pre-departure information
- free airport reception upon arrival in Brisbane
- accommodation services
- international orientation sessions
- academic writing, reading and English language skills
- group study opportunities
- multifaith chaplaincy
- on-campus medical centres
- personal development programs and careers
- social events and networking opportunities
- under 18 support
- advice, counselling and welfare support—we can assist you with adjusting to university life and provide you with professional and confidential services to support you while you're studying.

## Disability services

If you have a disability, injury or health condition—whether it's temporary, episodic or fluctuating—talk to one of our disability advisers. It's free and confidential. Not sure if we offer the adjustments you need? Get in touch before you start studying to discuss your situation.

Visit [qut.edu.au/disability-support](http://qut.edu.au/disability-support)

## Counselling and welfare support

If you are struggling with any aspect of adjusting to university life, our counsellors and welfare officers can provide you with free, professional and confidential services.

Find out more about QUT support.  
[qut.edu.au/support](http://qut.edu.au/support)

# Accommodation

Our Accommodation Services team offers dedicated support to help you find the right place to live.

They can provide helpful advice on finding safe and secure accommodation close to campus and tenancy agreements whether you choose a student apartment, managed share house or rental property. If you are under 18, our Student Services team can support you in finding appropriate accommodation and welfare arrangements before you start your studies at QUT.

## Accommodation options

One of the most popular options is to rent a room in a student residential complex, which usually includes a bed, study desk and some storage, as well as shared bathrooms, kitchens and common areas. All student apartment complexes are located close to the two QUT campuses. Renting a room usually costs from \$180 to \$500 a week.

You can also rent a real estate agent-managed student accommodation or organise your own private rental by looking online. For this rent is usually between \$150 and \$300 a week.

You will have the option to live alone or share accommodation with other people.

## Under 18 Supervision Program

If you will be under 18 years of age when you start studying in Australia, the Australian Department of Home Affairs (DHA) requires that you have appropriate accommodation, support and welfare arrangements in place before starting your studies at QUT.

To meet this visa requirement, you will need:

- to nominate a guardian—your guardian can be a parent, a person who has legal custody of you or a QUT staff member from Student Services Under 18 Supervision Program (U18SP)
- to have QUT-approved accommodation with your parent or legal guardian, or at Iglu Kelvin Grove or Student One. If QUT is

your nominated guardian you will join the U18SP, where you will receive care and support from our friendly and dedicated Student Services team until you turn 18.

If you're travelling from overseas to study with us, we offer a 24-hour airport reception service for international students. We'll pick you up and take you to your accommodation in Brisbane.

international](https://qut.edu.au/international)

## Check if you meet the entry requirements

Check the course information for academic, English language proficiency and additional entry requirements.

Consider a pathway option if you don't meet the direct entry requirements (see page 21).

## Prepare supporting documents and check key dates

Be sure to include the required academic and supporting documents when you apply.

Some courses have application deadlines so check the QUT key dates and academic calendar to ensure you submit your application on time.

### Submit application

You have two options to submit your application.

**Option 1.** You can submit your application online via the QUT Application Portal.

[student-qut.studylink.com](http://student-qut.studylink.com)

**Option 2.** You can apply through a registered representative. A QUT official education representative is required for applicants from certain countries.

[qut.edu.au/study/international/find-a-representative](http://qut.edu.au/study/international/find-a-representative)

### Accept your offer

If your application is successful, you will receive a QUT Offer Letter. You must satisfy any outstanding conditions, formally accept your offer and pay your deposit fee to be admitted into your course at QUT. If you apply through a representative, they will guide you through the acceptance steps. If you apply directly to QUT, you can complete your acceptance through the application portal.

[qut.edu.au/international/accept-your-offer](http://qut.edu.au/international/accept-your-offer)

### After you accept your offer

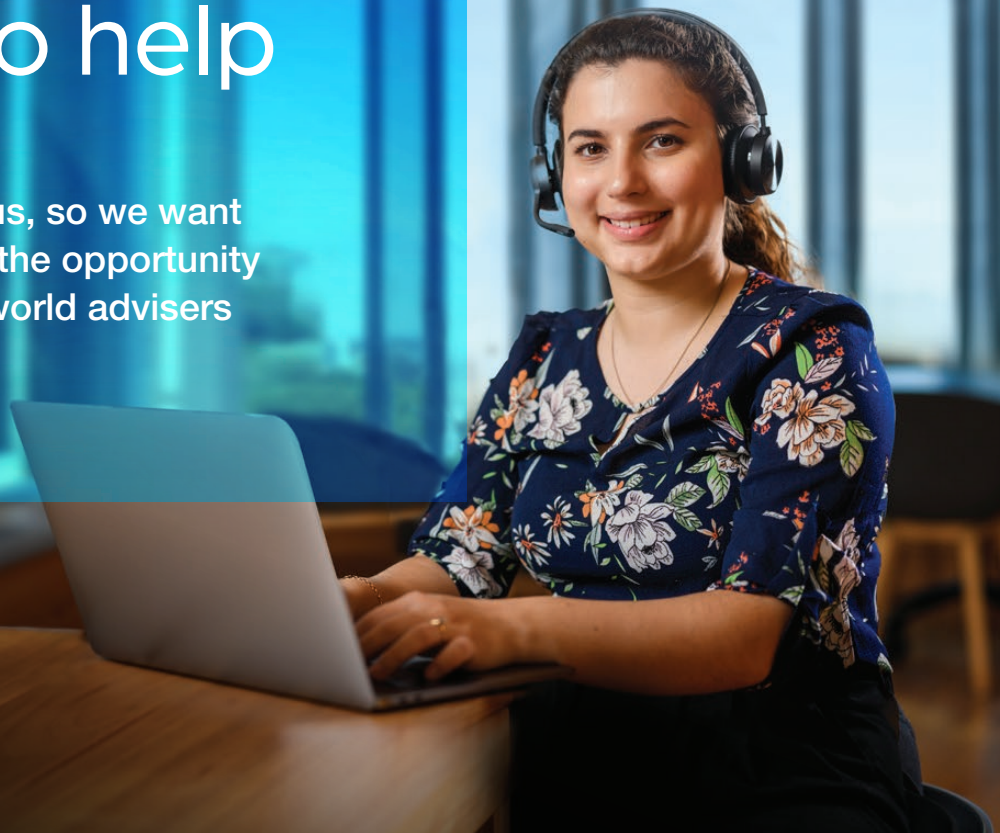

Once we have finalised your acceptance, you will receive a Confirmation of Enrolment (eCoE) certificate for student visa purposes. You can also activate your student account to gain access to your email, services and systems so you can view your study plan, enrol in units and register for classes.
